YOUR CHANCE TO HAVE YOUR SAY ON WHAT YOU WANT FOR YOUR COMMUNITY

Housing • Roads • Safety • Amenities • Flooding and so on

DON'T DELAY

North Herts District Council's next public consultation for their housing plans starts in September – we need to advise them of your wishes.

Where YOU live is affected by these proposals, and this is YOUR chance to have YOUR say as a community

We need ALL of you to tell us what you want, so we can present NHDC with a compelling weight of evidence of what YOU want for your Parish.

Strategic Housing Land Availability Assessment - 2014 Update

Wymondley Sites

Both the green and grey shaded areas of the map show land that has been offered to NHDC as sites for housing. All these areas have the potential to be built on between 2016 and 2031

THE COMMUNITY

We need to know your preferences on things like:

- Housing – types and numbers
- Roads and road safety and paths
- Sporting and leisure amenities
- Reducing flood risk

...in fact anything you think needs change or improvement in your Parish.

We'll collect your suggestions and put a plan together for submission to the Parish Council and to NHDC.

The survey is not limited to one per household! So get everyone over the age of 16 to complete the online questionnaire as soon as possible.

...and please, please, please don't leave it to someone else – if we all do that there will be no plan!
